

## **Program Report July 2025 – June 2026**

Thank you to our tutors who give up their time so that many of us can enjoy developing new skills, expanding our knowledge and keeping fit. All the courses and activities are appreciated by our members. We are always on the lookout for new programs/courses. Currently we have 53 classes for our members.

This year there were several new classes; Mah Jong, Bridge, Park Soccer, Tai Chi, Card and Board Games, Morning Walks from North Fitzroy, Healing Ourselves and the Planet (online course), Lawn Bowls, and line dancing has been introduced as part of World Dancing. Due to the popularity of Lunch Around the world Jan Lawson added a second Lunch Around the World. Thank you to the tutors who were willing to lead these classes.

Classes we said goodbye to; Rock of Ages and Bridge. Unfortunately, Max couldn't entice new band members. Due to the ill health of the tutor, bridge could not continue.

A new category has been added under the heading of Events. Each month there will be a one-day activity or trip. So far there have been excursions to Portarlington by ferry, Metro Tunnel tours, Wine tasting at Dan Murphy's, and the John Percival exhibition at Heide. We are continuing to look for other one-day events.

Peter and Richard negotiated with Yarra City to remove the minimum booking of 3 hours for some of the venues. This means a considerable savings for us. However, Friday bookings are going to be charged at weekend rates.

Thank you once again to the tutors who take the programs for our U3A, because without them we would not have U3A Yarra City.

Thank you

Maria Hudson Program Coordinator
